

## July 2020 Dixie Springs ACC Newsletter

Your new ACC has had its first organizational meeting. We have elected the ACC officers, and in order to help distribute the workload, we appointed our first additional ACC member Linda Anderson. Linda has experience in business management, and as a board member for a business association. She will begin training immediately for the many secretarial responsibilities so we can prevent as much as possible a gap in our work duties. We have a great group and we anticipate adding at least one additional committee member. We are also considering the need for special committees to serve either on a continual basis or ad hoc to address specific issues, and to work on projects as needed in the community. We will be asking for volunteers for those committees, and your ideas and input will be very valuable to us.

The ACC Members and Officers are:

- Nancy Russell: President
- Dale Patrick: Vice President
- Debbie Hohenstein: Treasurer
- Linda Anderson: Secretary

Our first tasks include getting the transitional work done, evaluating our Building Standards and any existing policies to make sure they are consistent with the governing documents and fit with the current needs of the community.

We currently have 13 active builds, and 4 violations that we need to review.

We invite your comments regarding any ideas or concerns about issues in the community, and any questions that we can answer for you.

Please send those to us at [acc@dixiespringsacc.org](mailto:acc@dixiespringsacc.org)

or by mail to: Dixie Springs ACC: P.O. Box 358 Hurricane, Utah 84737

Our plan is to publish periodic updates, and continue to work toward more transparency and acting in the best interest of the community.

We look forward to serving you.

Your new ACC members.
