

September 2020 Dixie Springs ACC Newsletter

Welcome to fall. We have been busy working with the builders on new builds, plans, building sites and construction sites.

BOARD MEMBERS

On September 6, 2020 President Nancy Russell resigned. On September 8, 2020 Al Matthys resigned. We appreciate everything they have done for our community. They will be extremely missed.

An emergency meeting was called on September 10, 2020 to reassign board members positions. Debbie Hohenstein was voted in as President/Treasurer. Dale remained as Vice President and Linda Anderson remained as Secretary.

On September 19, 2020 Vice President Dale Patrick resigned his position.

Great news! As of September 25th, we have a new board member, Karla Greenwood. Karla has lived in Dixie Springs for 6 years and came from Sandy Utah. Danny Manning, who also lives in Dixie Springs and came from Murry Utah, has volunteered to help us with the new builds.

The ACC Board Members and Officers are: Debbie Hohenstein, President/Treasurer

Linda Anderson, Vice President

Karla Greenwood, Secretary

BILLBOARDS

The plexiglass on the billboard on Wilson Drive has been replaced. Please do not put tape on the Plexiglass. We are waiting for Plexiglass to be installed at the 3400 location.

BUILDING

Building Permits in process: 15

Building Permits completed in September: 14

CONSTRUCTION DUMPSTERS

The contractors have told us that homeowners are using the dumpsters for their personal garbage dump. Do not use them for your private home or yard trash. The landfill on Industrial Road is free to us. These dumpsters are paid for by the builder. If you are caught putting trash in the construction dumpster, you can be fined.
